Introduction

To qualify for recertification, a Certified Clinical Hemodialysis Technician Advanced (CCHT-A) must meet the eligibility requirements set forth by the Nephrology Nursing Certification Commission (NNCC). To avoid a late fee, the appropriate recertification application (contained in this booklet) must be postmarked by the last day of the month in which the certificant's certification expires.

Certification is effective for three (3) years from the first day of the month in which the certificant passed the examination. Certification must be renewed every three (3) years. The CCHT-A is a national credential that may be used in all professional activities and correspondence.

The following two options are available to meet the recertification requirements:

Continuing education and clinical experience:

This booklet contains the forms and instructions to recertify by continuing education and clinical experience. To determine eligibility requirements to recertify as a CCHT-A, please refer to the eligibility requirements on page 7 of this booklet.

Recertification by examination:

A recertification by examination application can be found on page 15 of this booklet. When submitting the examination application for recertification, all requirements for recertification must be met except for #3, continuing education. Testing must be completed before the certification expiration date to avoid a lapse in certification status.

Verification of Recertification

If approved for recertification, individuals will receive a wallet card with expiration date within sixty (60) days of the date the National Office receives a recertification application. Replacement wallet cards and/or wall certificates are available for a fee. Verification of valid certification credentials can be made through the NNCC Certified Directory at www.nncc-exam.org.

Current Address

It is the certified technician's responsibility to notify the NNCC National Office of any changes in name, address or email address.

Emeritus Status

Technicians who have maintained an active credential, who are over 50 years of age, and who have retired from active practice may apply for emeritus status. To apply for the retired credential the certificant must complete the application for Emeritus Status (available on the NNCC website at www.nncc-exam.org or by calling 888.884.6622) and submit a one-time fee. If approved, the certificant may use the emeritus credential at nephrology nursing functions to acknowledge a previous active credential and the accomplishments it signifies. If the certificant chooses to return to active practice and wishes to again hold the active credential, he/she must meet current eligibility criteria and certify by examination.

Fee Schedule

Recertification application fees are non-refundable. Periodically fees are reevaluated and adjustments may be made. Fees can only be adjusted by a vote of the NNCC Commission. To avoid a late fee, the recertification application must be postmarked by the certification expiration date. For an additional (late) fee a certificant may submit a recertification application after the certification expiration date, provided all eligibility criteria are met during the certification period. Applications are processed in order of receipt. It may take up to eight (8) weeks from date of receipt of an application to be reviewed. Expedited applications will be processed within 14 business days from date of receipt with an additional expedited fee included.

At the individual's request, the President shall appoint a committee of three (3) NNCC Commissioners who will meet with the individual and make recommendations to the NNCC. The committee will meet in conjunction with a regularly schedule NNCC Board of Commissioners meeting. The individual will be responsible for their own expenses. The final decision of the NNCC will be communicated in writing to the individual within thirty (30) days following the NNCC meeting. Failure of the individual to request an appeal or appear before the committee shall constitute a waiver of the individual's right of appeal.
